A SPLENDID MASS MEETING

The Republicans of Tazewell County Have a Large and Harmonious Gathering.

DELEGATES TO MARION CONVENTION

Resolutions Endorsing President Roosevelt and Hon. Campbell Slemm Are Passed and Delegates Instructed for Slemm.

On last Tuesday the Republicans of Tazewell county assembled in mass meeting to elect delegates to the district convention, which meets at Marion on the 20th of June, and to perform other necessary work. The meeting, which was unusually large and enthusiastic, was called to order by H. G. McCall, County Chairman, and Wm. C. Pendleton was elected Secretary.

On motion, the citizens of the three magisterial districts met separately for the purpose of naming their quota of delegates to the convention and to name the members of the county committee from the precincts in their respective districts. The following were reported to the mass meeting from the district meetings:

Members of County Committee: S. S. F. Harman, M. L. Peery, J. D. Dailey, A. R. Beavers, H. W. Crockett, C. A.

Leece, Sylvester Brooks, James M. Brooks.

MAIDEN SPRING DISTRICT.

Barnes, E. M. Tiley, George Sparks, C. B. Linkous, Clint Aspie, W. J. Lester, W. P. Payne, S. F. Allison, J. W. Bowen.

Members of County Committee: W. R. Bowen, A. P. French, D. Green, T. A. Gillespie, W. B. Spratt, S. F. Allison, Wm. Bandy, J. Sanders Gillespie.

CLARK FORD DISTRICT.

Delegates and alternates: J. W. Shuflebar, H. C. Calloway, C. W. Crockett, H. A. Long, R. C. Wells, R. L. Gillespie, C. H. Pauly, J. S. Browning, H. S. Bowen, E. L. Dailey, R. H. Mathews, Sam Matz, M. F. Neel, S. P. Mustard, D. J. Taylor, T. R. Smoot, W. E. Goodman, Anderson McClure, Grayson Compton, E. C. McFarland.

Members of County Committee: H. C. Calloway, Grayson Compton, R. C. Wells, Jno. W. Slade, H. A. Long, J. Floyd Gillespie, J. S. Browning, C. W. Crockett, S. P. Mustard.

The reports of the magisterial districts as to the delegates and members of the county committee, were, on motion, ratified by the mass meeting.

Hon. A. P. Gillespie was then recognized by the chair and offered the following resolutions:

"The Republicans of Tazewell county, in a mass meeting assembled, declare their continued adherence to the principles of the National Republican Party, as expounded by its platforms and exemplified by the administration of that great statesman and patriot, Theodore Roosevelt.

"We most heartily endorse the record of Hon. Campbell Slemm, our representative in Congress, and extend him our gratitude for redeeming the Ninth District from the control of the fraudulent Democracy, as well as for his faithful and efficient work in the halls of Congress. So feeling, we hereby instruct the delegates from this county, who attend the convention at Marion, Va., on the 20th of June, 1906, to vote as a unit, and to cast the solid vote of Tazewell county for the nomination of Campbell Slemm as our candidate for the House of Representatives."

In advocating the adoption of the resolutions Mr. Gillespie paid the highest encomiums to Colonel Slemm. He referred to the condition in which the party in the district found itself in 1902, when Republicans were almost without hope. He said that but one man in the district then had the courage to take up the party flag and carry it against great odds to victory. He also spoke of Colonel Slemm's ability as a representative and the intelligent leadership he had displayed, and declared that the Republicans of Tazewell and of the entire district owed him an everlasting debt of gratitude for redeeming the district from Democratic rule. Mr. Gillespie's able and sincere speech made a profound impression on the mass meeting and was frequently applauded.

Colonel J. S. Browning, who was known to be opposed to instructing the Tazewell delegation, in a very conservative speech opposed the adoption of that portion of the resolutions that gave instructions. He was opposed to instructing as a matter of principle and policy, but stated that he knew that the meeting as well as his own magisterial district was largely for the resolution. Colonel Browning had no words of censure for Colonel Slemm, as had been fondly expected by the Democrats, and will go to Marion in perfect harmony with the Tazewell delegation.

Wm. Leckie, Superintendent of the Pocahontas Collieries Company, then addressed the meeting, strongly advocating the adoption of the resolutions introduced by Mr. Gillespie. Mr. Leckie said he did not know Colonel Slemm personally, but from those at Washington who are in a position to know he had abundant information as to the representative capacity of Colonel Slemm, and he thus knew him to be one of the ablest and most popular representatives from Virginia or the South. This was the first time Mr. Leckie had ever participated in a Republican meeting in the county, and his remarks were greeted with applause and approval.

Mr. H. C. Calloway, of Graham, and Hon. Henry Bowen made brief but pointed speeches in favor of the resolutions, and, on motion, they were adopted without a dissenting vote.

Then the mass meeting proceeded to elect a County Chairman for the next two years. Mr. H. G. McCall announced that he had been serving the party in that capacity for a number of years, but on account of business engagements he could no longer serve. Thereupon, John T. Barnes was nominated by W. B. Spratt for County Chairman and was elected. Wm. C. Pendleton was elected secretary of the county committee.

On motion of J. N. Harman a vote of thanks was given H. G. McCall for the able and diligent manner in which he had discharged the duties of County Chairman.

The mass meeting then adjourned.

H. G. McCall,
Chairman.

Wm. C. Pendleton,
Secretary.

PACKERS FIGHTING AMENDMENT.

If It is not Adopted President Will Publish Reports on Abuses in Packing Houses.

Washington, May 28.—An important conference was held at the White House today regarding the meat inspection amendment of Senator Beveridge, of Indiana, to the agricultural appropriation bill.

The President discussed the question with Senator Carter, of Montana, and Professor Charles P. Neill, Commissioner of Labor, who investigated certain packing houses and later talked over the matter with Senator Beveridge.

At the conclusion of the conference, Senator Carter dictated the following statement bearing upon the President's attitude:

"The meat inspection amendment placed on the agricultural bill has met with opposition of the packers and their friends, who seem to be bending every effort to defeat it. The President says that if the amendment is enacted into law he will be content to remedy the evils complained of through the law.

"If, however, the amendment is defeated he will feel constrained in the discharge of his official duty to the public, to send to Congress the reports in his possession relative to the abuses existing in the packing houses. He feels that it is better to refrain from making the reports public, not through any regard for the beef packers particularly, but because an official statement of the facts would injure the stock raisers of the country, thus making them innocent victims of a line of abuses for which they were not primarily in any sense responsible.

"The only answer that can be made to the consumers of our meats at home and abroad will be the enactment of a law through which an efficient and sufficient inspection shall be made."

Raging Forest Fires Destroy Valuable Timber.

Davis, W. Va., May 28.—Fires have been raging in the woods in this vicinity several days. Sparks from one of the Thompson Lumber Company's engines set the woods on fire and a lot of logs were damaged and about eighty cords of bark were destroyed. A fire is also raging up Beaver Creek, and it is feared that property will be destroyed near the Beacon mines.

Disastrous forest fires have also been raging around Parsons, W. Va. The Richard and Hess Camp, on Green mountain, was destroyed, together with the slide, 1,000 cords of bark and several hogs. The Otter Creek Boom and Lumber Company lost 600 cords of bark. Fires raged fiercely on the Elk Lick track and also along the Blackwater river, near Davis, W. Va.

Nearly all the lumber in the vicinity of Gladys has been burned. The sawmill and several thousand feet of dressed lumber of Kenney Rains, at Harman, W. Va., were burned, his loss being \$2,000.

Wrist Cut and a Pistol Ball Through His Heart—His Body is Found in His Room.

DID WYTHEVILLE MAN TAKE HIS LIFE?

Chicago Police Puzzled Whether One Of Suicide or Murder—Son of Wytheville Doctor—Disappeared from Pocahontas Two Weeks Ago.

Wytheville, Va., May 29.—A telegram was received in Wytheville this afternoon from the chief of police in Chicago, saying that Dr. Samuel R. Sayers, Jr., had committed suicide there. The particulars of the tragedy are not known here.

Dr. Sayers was a son of Dr. Samuel Sayers of this place. The deceased was assistant physician of the Pocahontas Coal Company at Pocahontas. He disappeared from Pocahontas two weeks ago, and nothing was heard from him until the telegram came announcing his untimely death. Why he should have taken his life is a deep mystery here. Dr. Sayers was formerly an assistant at the Marion State Hospital. He was a young man of fine promise and unmarried. The news of his sudden and tragic death was a great shock to his family and friends.

Chicago, May 29.—Dr. S. R. Sayers, Jr., of Wytheville, Va., was found dead in a room in the Gault House today and had apparently committed suicide. An artery in the left wrist had been severed and a bullet from a revolver which was still held in the right hand, had been fired in the heart. Papers showing his identity and \$500 in cash were found in the room. In registering he signed the name "F. H. Smith, New York."

The man was well dressed and apparently prosperous. He came to the hotel Saturday afternoon went immediately to his room and was not seen outside of it since that time.

The police later in the day declared that while they were at first of the opinion that Dr. Sayers had committed suicide, they were not entirely satisfied that such was the case. The wound in the wrist was of a character as would be inflicted by a surgeon's scalpel. This instrument could not be found when it was looked for, and it was then believed possible the man had been murdered. Detectives were at once put on the case.

WHY is it so many of the world's leading pianists have adopted the Everett?

Why do the great singers, such as Nordica, use the Everett exclusively, when there are so many other good pianos at their disposal?

Why is it all the Music Journals and the critics are commenting on the merits of the Everett?

Why has the demand for these pianos increased so rapidly that the factory is now unable to fill the orders?

Why is it that no one has found any objection to the Everett?

Why has the Everett created the greatest sensation of any piano ever made?

There must be a reason for this. It could not all happen by chance.

If you will look into the construction of an Everett Piano and hear it played, you will know the reason.

Members in Savage Mood.

Washington, May 29.—The aftermath of yesterday's filibustering, ending in the arrest and hailing before the House of a number of members, in order to complete a quorum, came in the House of Representatives today on the approval of the journal.

A number of the members, who were "arrested" by the sergeant-at-arms during the call of the House last night, were still in a savage mood today when the House convened, and they had personal reasons to assign why they were absent on roll call.

Throughout the whole of the discussion, which was precipitated by the motion to approve the journal, the Speaker of the House sat almost motionless, now and then indulging in a quiet chuckle over the discomfort of his friends.

When his right to direct the issuance of the writ of arrest was attacked, the Speaker, following an exposition of the rules, terminated further argument by asserting that "the gentlemen had been legally arrested."

The rules of the House, as to the presence of members, were brought home to the members and during the rest of the day, while the House had under consideration the diplomatic and consular bill, a quorum was continuously present.
